Product highlights

Compact disc digital audio player

Compact Disc technology that combines superb digital sound quality with the convenience of random track access and CD functions like CD programme, Shuffle Play and Repeat.

· Repeat one/ all

Repeats the current track, the total CD, or your pre-selected programme.

Shuffle play

Plays disc selection randomly, giving you a new sequence of tracks each time.

• Stereo cassette deck

Play back recorded tapes on this full-functional stereo cassette deck, and record from the built-in CD player or tuner.

· Six-digit multi-functional display

Displays CD player information (track, playing time and play modes) and Tuner information (tuned frequency and stereo reception).

• 3" Full-range speakers

For excellent sound performance across the entire audio frequency spectrum.

• Metal speaker grilles

Grilles covered with acoustically neutral cloth to protect the speaker.
